### Jagorawi Golf & Country Club, Old Course

**28 years ago, Jagorawi Golf and Country Club opened as Indonesia's First Private Golf Club and now, 28 years later it is still the leading private club in the nation. Celebrating its 28th birthday, members of the prestigious golf club gathered to play the Old Course in a day that was fun and enjoyable for all.**

**F**ounding Father of the Golf Club, Pak Zakir opened the day by cutting the traditional tied balloons free to soar high over the course that he opened 28 years ago. This move was the start of another great event at Jagorawi. A full field of JGCC members and distinguished guests played in near perfect yet overcast conditions.

The presence of World renowned sponsors such as DaimlerChrysler who provided a B-170 Mercedes for a hole in 1 on Hole # 6, Samsung who provided a 50 LCDTV for a hole in 1 on Hole # 8 and Royal Brunei Airlines who provided Business Class Tickets for a Hole in 1 on

Holes # 11 & 13, showed the integrity of the event but unfortunately there were no winners to take these great prizes away.

The JGCC Pawang Hujan (Rain Stopper) did his job to perfection as although the surrounding areas received heavy down-pours, the Old Course remained dry.

Gran Melia Jakarta provided exquisite cuisines starting with a brunch prior to the tee off and a grand dinner. Heineken ensured that there was always good ale to wash everyone's meal down with.

A great days golf was followed with fun and entertainment with DJ's Andre and Ronald who played lots of great tracks

from that by-gone disco era of the mid-70's and early 80's with incredible lighting and special effects and the crowd danced the night away. Plenty of young Go-Go dancers were on hand to offer leading moves for those with two left feet!

The next major JGCC tournament allowing guests to participate shall be the Chairman's Challenge on Sunday, June 24th also teeing off at 11:30hrs and finishing with a grand gala dinner at the Lodge at Jagorawi. Those who wish to enter can call 021 - 875 3810 for details or email club-manager@jagorawi.com and JGCC will send an invitation.
