

Jagorawi Celebrates Indonesia's Independence

August 17th 1945 was remembered at Jagorawi Golf & Country Club which celebrated 62 years as the Republic of Indonesia.

Mr. Daya Zakir headed the ceremony by reading firstly the declaration of Independence followed by a word of thanks to all those present for the team work that has made this Club such a success.

A local marching band added to the pageantry with salutes of gratitude by Committee and Management as all different divisions of JGCC marched by in neat uniform order.

Every year Jagorawi Golf & Country Club pays tribute by remembering those who lost their lives in a struggle of independence to free this great nation.

This year's celebration was no exception as the shouts of **MERDEKA!** (Freedom) were heard loud & true.
