

# Lifetime Dream Score & Course Record!

Jagorawi Golf & Country Club Member and long-time supporter of JGCC Members Events, Mr. Dukki Kim, Director of SAMSUNG Electronics Indonesia shot an amazing New Course record of 63 on the New Course, Saturday, August 6<sup>th</sup> 2011.

The round was played from the White Tees, a hole-by-hole description by Mr. Dukki Kim as follows:

On the Front Nine I shot 32 with 1 “Eagle”, 4 “Birdies” and 2 “Bogies”

**Hole 1**, I made an “Eagle” after my second shot landed at the greens edge, I managed to hole out my third 8 iron

**Hole 2**, I made a “Birdie” after sinking 10 putt.

**Hole 3**, I made an atrocious “Bogey” when I duffed my 125 meter approach shot into the water hazard, after taking a penalty, I managed to knock my 4<sup>th</sup> shot to 3 feet and sank the putt.

**Hole 4**, was a comfortable “Par” after a 2 putt from 20 feet.

**Hole 5**, was another silly “Bogey” when I duffed my 54 degree pitching wedge from the green edge and had 2 putts.

**Hole 6**, finally saw some form come back with a solid “Birdie” after rolling in an 8 footer.

**Hole 7**, “Birdie” after sinking a 20 foot snake of a putt.

**Hole 8**, “Birdie” time has arrived! Knocked my approach dead and sank the 4 foot putt.

**Hole 9**: let a 15 foot putt slip past to make a “Par”

## **On the Back Nine I shot 31 with 5 “Birdies”**

**Hole 10**, this “Birdie” came easy with a great 3<sup>rd</sup> shot approach and rolled in a 5 foot putt.

**Hole 11**, nerves are starting to twitch and I had to pinch myself to check that this wasn’t a dream with another “Birdie” sinking a 10 footer.

**Hole 12**, I made an easy “Par” with 2 putts from 20 feet.

**Hole 13**, I made another smooth “Par” after leaving my second shot short, I hit my 60 degree wedge from 10 yards out to 6 feet from the pin and sank the putt.

**Hole 14**, two solid shots coming up the hill, sinking a simple 6 footer for “Birdie”

**Hole 15**, everyone knows this hole can be “make-or break” so a “Par” with 2 putts from 20 feet was a relief.

**Hole 16**, Closing hole jitters? No way! I played this tough hole with 3 solid shots and sank a 5 foot putt for “Birdie”

**Hole 17**, Clubhouse in sight, I knew I couldn’t let myself down, I was happy to 2 putt from 15 feet for “Par”

**Hole 18**, This is a tough closing hole, I managed to make “Birdie” after pushing my approach 5 yards right of the green and then chipping in with a cool flop shot from my 60 degree wedge.

I ended the round with a 63 which comprised of 1 “Eagle”, 9 “Birdies”, 6 “Pars and 2 “Bogeys”

I suppose that I will never play this good again, but mostly I am happy to say this broke my life best score from 67 which I made 28 years ago and tied just 3 weeks ago , I had a personal most birdies in one round, and most of all became an “age shooter” at 64 (my target was 73)

Congratulations Mr. Dukki Kim on such a magnificent round of golf and a making such a true golfer's lifetime achievement, we would like to ask also, is there anyone else at JGCC that has played there age or better?
