

Looking Towards another Great Year

Happy New Year to all Members,

For those of you who are new to Jagorawi Golf & Country Club and I haven't had the chance of getting to know you, my name is Edwin Palmer, General Manager of JGCC and I would like to take this opportunity to wish you all a very successful, healthy and great golfing 2011.

I will attempt to keep all members up to date with all the latest news and information pertaining to Competitions and Club-life issues via electronic announcements and also via our "soon to be launched" New-Look website www.jagorawi.com.

I invite all to make all new Members known to myself and my Staff and of equal importance your contact details such as mobile phone number and email addresses.

During 2011 we will hold several Members events, these events promise to be fun-filled and offer quality cuisine and wonderful prizes. Not forgetting the camaraderie that makes JGCC legendary, there is also the serious element of competition. After each event there will be following announcements of the results and the current "Order of Merit"

Please ensure those wishing to participate in each event, register well in advance as vacant spots tend to become scarce nearer the dates. Although all of you should have received your "Desk-Top" events calendar by now, attached is a list of scheduled events.

Throughout the year I will address the usual matters of common etiquette such as Club Rules and Policies regarding areas such as slow play, golf carts remaining on cart paths and our unique "first come – first serve" policy for the members course on weekends and public holidays.

During 2011 JGCC shall be undertaking Golf Course and Clubhouse Improvements, in some cases requiring the closure of some areas during renovation and construction. Management shall at all times try its utmost to ensure the least inconveniences are caused however sometimes this may be unavoidable.

JGCC is pleased to announce that the New Course has been chosen as the host venue for the SEAGAMES (South East Asian Games) Golf Competition, this promises to be an outstanding display of Asia's best amateur players competing for this prestigious title.

The New Course promises to be "gritting it's teeth" as it will be groomed in its best possible condition to prove that it is still Indonesia's most challenging even at the highest level of competition.

If you haven't already, please support our Club Professional Derek Cribb who's New Zealand AA PGA rating has already made its mark on Indonesian golf. Many of the National Golf Squad competing in the 2011 SEA GAMES, are in fact coming from CBIOG (Commonwealth Bank Institute of Golf) at Jagorawi. Book a lesson with Derek (021 – 875 2155) and see how he can improve your game.

In closing just allow me to say that the Management is here to help not hinder and we hope you enjoy your golf this year.

February 2011

Edwin Palmer / General Manager
