

Addition to Local Rule on Z-Nine

Dear Members & Guests

We would like to inform you that since the Z-Nine Hole # 7 became a Par 5 (making par total for 9 holes 36) there has been an addition to the Z-Nine Local Rules:

A Ball coming to rest in the ditch / drain running horizontal to the fairway (approximately 70 meters in front of the Ladies Tees) is an Immovable Obstruction and therefore relief can be taken
(Rule 24-2)

This Local Rule is applicable only for that section of drain on that specific hole and is not applicable for sections of drain that run lateral / parallel with the Fairway.
