

## **TOURNAMENT RE-SCHEDULED**

Dear Members and Guests,

We wish to inform you that the SAMSUNG - JGCC Classic Golf Tournament scheduled for August 1<sup>st</sup> 2010, has been moved to the later date of October 10<sup>th</sup> 2010.

This has been done to ensure that adequate time is allowed for all members and guests to register their interest to participate in this humongous event.

This event will be played on the New Course with Golf Carts as an option and will be teeing off at 07:00hrs

As in past years this event has proven itself to be the largest and most generously sponsored event on the Jagorawi Golf & Country Club Members Events Calendar, thanks to SAMSUNG Electronics Indonesia and JGCC long-time partner and member Mr. Dukki Kim.

This event should not be missed! We advise you all to register with payment via JGCC reception as soon as possible.

Limited spaces will be made available to member's guests, an exquisite breakfast and lunch will be provided by Hotel Indonesia, Kempinski Jakarta.
