

## **STARTER PROCEDURES**

**Dear Members,**

It has been brought to our attention that on the MEMBERS COURSE during WEEKENDS, some members have been FAILING TO OBSERVE standard Club Rules regarding STARTING HOLE / TEEING OFF procedures.

Some Members have been observed handing "BULK" amounts of starter chits to the starter at the starting Tee Box WITHOUT ALL PLAYERS BEING PRESENT.

This of course is totally unacceptable as in all fairness to other Members waiting at the starting Tee Box, players must personally hand the starting chit to the starter or in other words ALL PLAYERS IN A FLIGHT MUST BE PHYSICALLY PRESENT PRIOR TO BEING PLACED ON THE STARTING BOARD.

Members, once again, please ensure that the correct starting hole / teeing off procedures are being observed.

Thank you for your kind attention.
