FOUNDATION SPONSORS

Bank Commonwealth have committed to the BCI OG project

for an initial 5 years which is an amazing show of their commitment to the development of junior golf in Indonesia and golf in general. Bank Commonwealth have been involved in other developmental type sponsorship of golf in Indonesia, including The Bank Commonwealth Premiere Golf League which gives good golfers from leading Jakarta golf clubs the chance to play in a highly competitive monthly match play competition.

JGCC have always been instrumental in their desire to see an Indonesian golfer succeed on the world stage. Their commitment to building the new facility and use of the facilities for the juniors and professionals is a commitment essential to the success of the program.

CORPORATE PACKAGES AND SPONSORSHIP

100% of any operating surplus from BCI OG goes back into the BCI OG Junior Scholarship Program. We're lucky to have our great foundation sponsors, but we're looking for more support from the Indonesian business community to get behind this unique junior golf development program. Further support will enable us to better support our current squad and grow it in numbers in the future. Contact us and we can tailor a deal that suits your companies needs and we can show you the benefits. Why not associate your company with the best? It's an investment in Indonesia's golfing future! JUNIOR PROGRAM

- ◆ **BCIOG Junior Scholarship Program**
 - ◆ Uniquely we are sponsoring and training a team of young (11-17 years of age) talented Indonesian Junior golfers (scholarship holders) about all aspects of the game including swing analysis, technique, short game, the mental side of golf, fitness, nutrition, tournament play and preparation, practice routines and travel

- ◆ Providing their golf equipment which will be fitted and updated as needed
- ◆ As BCIOG the business develops, our aim is to acquire more sponsors to further develop the Junior Scholarship Program
- ◆ Scholarship holders were chosen from a mix of young players both from Jakarta and the local area, and will have equal opportunity to learn and develop
- ◆ BCIOG hope to be the breeding ground for Indonesia's most talented amateur players so local and regional amateur championship success is a worthy goal. Representation on either Asian, European or even US tours would represent outstanding success and make Indonesian people proud.

◆ Other Junior Programs and TUITION

Any parent wishing to sign up their children will have the opportunity to bring them to non expensive group classes at various allocated times during the week and especially school holidays. They have the same opportunity to be taught by our PGA instructors and use all the BCIOG facilities. Juniors will receive a 10% discount for private coaching.
